The Premises:

If you don't already know it, genteel street, basement flat. Clean and inviting, made even better by Ella's warm welcome. Room with big, comfy bed, low lighting - just how it should be.

The Lady:

Tammy is simply gorgeous - a Game of Thrones sexpot with luscious curves in all the right places - sensational boobs, soft, pouty lips and the most amazing modellesque face, think Blondie in her prime.

The Story:

My second time with Tammy. Back because she kisses like a dream, soft, sensuous, non-stop snogging from beginning to end. Her oral with skills are incredible, the sight and feel of her lips on my knob like her favourite lollipop and then pulling me in to gobble up my shaft was just amazing. Trust me, covered oral with Tammy feels just as sensitive and hornily sexy as uncovered. Finished with frantic shagging, me on top, Tammy's legs wrapped round me, as we kissed passionately throughout. Lovely chat afterwards - and that's the other thing about Tammy - she's just such an incredibly sweet, sexy soul. Can't wait to return.
