Her photos are very accurate. Stunning petite girl with some cute tattoos on her side. Very sexy eyes, amazing feet and a lovely smile.

The Story:

So, decided to pop my punting cherry one night after work. Rang Annabella's and asked about a walk in. The maid was super helpful and gave me an address and somewhere nearby to get cash out. Knocked the door and another very polite maid asked who I was there to see. I said I was a walk in and she sat showed me to a room and then went to find the girls who were free. I sat and waited and then 4 wonderful ladies walked in and greeted me one by one. The maid then popped back in and asked who I wanted to see. I was so torn, all were super sexy, so I asked her who offered foot fetish services. She asked the girls and returned and said 'Aylin does, do you want to see her?'. I then booked 30 mins with her and the maid went to go get her.

She came in wearing a very sexy mesh dress and clear heels. I was already excited but this made it even worse. She started with some kissing, closed lip, but very nice. I ran my hand over her body and she did the same to me. we got undressed and she started playing with me as we kissed. I then asked if I could play with her feet. She sat on the bed and I knelt in front of her. She took her shoes off and let me start kissing and sucking her toes and soles. Her feet were quite small, maybe a UK 4. After a bit I reached up and started to gently rub her clit, as I did this she moved her feet and have me a very enjoyable foot wank. I was too distracted by this to do a very good job playing myself (sorry if you read this Aylin), but the view was spectacular. I asked for a blow job, and she got me to stand up, and popped the condom on. She then began what is one of the best blow jobs I have ever had. She let me grab the back of her head, and play with her boobs as she bobbed up and down expertly. I could feel the end drawing near, so asked her for some intercourse, she obliged and suggested doggy. She turned around and OMG what an ass, she is so small but hat ass is soooo nice! I then began to enjoy doggy, she let me go pretty hard, ultimately I ran out of stamina not long after. There was a very big release. She then went back to letting me kiss and

explore, after cleaning me up with a wipe. She then offered a back massage, which was very nice with some idle chit chat about my day. I was offered a shower before I left, but as I was heading home, decided to shower there instead. We parted ways with a kiss and she let me out of the building.

All I can say Aylin is a lovely girl that is a lot of fun, and her feet are magic, had a few wet dreams about her since... If your on the fence, go see her, you wont be sorry.
