The Story:

I arrived on time, met by Elise who showed me into the room. She returned a few minutes later with the glass of water I had requested. When she returned she popped off her heels and jumped on the bed. Some serious snogging followed and things got to be a bit of a blur - the snogging continued with nipple sucking (by me) and she lay back naked to allow me to play with her pussy. Very enjoyable. She undressed me and then moved to expertly delivered OWO. I was getting 'hot under the collar' if you know what I mean, so moved on to RO so as not to come too early!! She seemed to enjoy it and mentioned that I knew where to lick. On to 69 and after some mutual pleasuring on with the raincoat. Several positions tried then back to 69 for the finish. We chatted for a while - then she checked her watch and we had overrun. not a problem as she has some time before the next lucky guy. One of the best punts for a while.
