### The Premises:

Annabella's place in Central MK. The room was in great condition, very well decorated and the bed was nice and large.

### The Lady:

Elise is in her late 30's to early 40's, 5'6", Size 8, 34C Natural, blonde hair.

### The Story:

Elise entered the room happy. She asked me what I wanted and then wasted no time and immediately began deep French kissing me with tongues and caressing my body. We both then undressed and moved onto the bed where she began sucking my cock. She gave me oral without, licking my shaft, varying the pace, sucking my balls and maintaining eye contact throughout with her big beautiful blue eyes. Her blowjob skills are great and she knows what she is doing.

I then said I want to lick her pussy and she lay down so that I can work on her. Her pussy was clean shaven and she has a nice clit to lick. I carried on licking her pussy and fingering her to please her. She was moaning throughout. I also licked her ass and rimmed.

She then she wants to suck my cock again and I was more than delighted. She gave me another blowjob and I could tell she really did want to suck my cock. In fact, if we weren't against the clock, she would have probably kept sucking my cock all day. She put a condom on and began to ride me. She was fucking me to the extent I couldn't hold back and I cummed in her pussy.

We had a short chat as we got dressed and kissed me out.

### Overall:

Elise was great, she definitely knows what she is doing and it was clear she wanted to provide me with what I wanted. Her services were delivered with enthusiasm and I could tell she wanted to suck my cock and fuck me just as much as I wanted to lick and fuck her. I left feeling happy, and was glad I took the time to visit her today. Overall, this is a positive experience and I hope to return to

see her again.
