The Lady:

Not really like the photos but not in a bad way. She is very petite, natural figure, pretty

The Story:

I was surprised when I first saw Kim but not disappointed. A satin robe covered up some sexy underwear and a sexy body. Straight in with kissing and exploring each other. Some amazing oral then it was my turn and boy did she cum again and again! On with the cover and some great sex. It was like being with a lover, we couldn't get enough of each other. Great 69 to finish and no rushing. On the way out Rosie was on reception chatting to Lisa - with those three around felt like I had gone to heaven! Definitely recommended and I will return when she is working in the week
