Has been reported on many times as more than satisfactory.

The Lady:

As has been said before, her profile page doesn't do her justice. She's much better looking in real life.

The Story:

A pleasant greeting on arrival and clearly I was expected.

Shown to the room, with it's own en suite shower, all of which was spotlessly clean, tidy and comfortable.

Jess came in and greeted me by name, asked if it was my first visit, it was, so then gave me a comprehensive briefing of what was going to happen.

And what happened was exactly as Jess had led me to expect. :-)

This was my first massage in the UK, all others were some years ago in the Netherlands, and it exceeded my expectations as being more sensual, more stress relieving, and more enjoyable.

Just before the time was up Jess invited me to take a shower with "if I go first it will make sure the water is hot for you".

With such attention to detail, will I be going back to see Jess again? Oh yes, most certainly.
