The Premises:

Well-known central Milton Keynes location. Comfy bed, low-lit and sexy.

The Lady:

Mirror of her pictures. Jess is jaw droppingly gorgeous, beautiful slim hour-glass figure with sensational natural boobs and lovely golden, soft skin. She really is a head-turner with a sweet, sexy, smiley face. Perfect.

The Story:

Two years since I last saw Jess which she teased me about in a sweet, naughty way throughout. Jess walked in with a lovely red bra and knickers and immediately into DFK as she stroked and teased my by now hard cock. Lay on the bed, more soft, deep kissing with lovely tongue flicking, fingers and nails twirling round my dribbling knob. Jess then asked me if I'd like her to suck my cock. I think that's called a rhetorical question. After 5 minutes of intense, very skilful sucking (deep, shallow, sometimes just knob in her warm lips) I was close to cumming, so asked Jess to ride me. Blimey, can Jess ride, twisting, swirling and grinding her hips, stood no chance, came in a couple of minutes. Lovely chat (Jess is funny and clever, so talk a delight). Intermittent kisses got me hard again, asked for handjob followed by more incredible gyrating cowgirl and finally mish, second cumming, awesome. What a sizzling sex queen! I'll be back!
