The Lady:

First time I saw her,a few weeks back. Lee was working as the maid..that's when I wondered..how I would love to get my face inside her nickers.Dream come true. those boosms..and the sexy face did all for me.

The Story:

. Once in the room, striped off, Lee lay on her tummy and let me massage her back.Worked my way down towards her bum. she raised her ars a little and the view..could not resist but to give a good licking around the ars hole...she seemed to enjoy that. Turned her on her back..worked my self toward her pussy..loved to lick it she seemed to love it too because..she let me lap at it utill she came and ohh boy did she come.On with the condom some oral and to sex..mish position so that I can have a full view of that sexy face....woderful time.
