### The Lady:

I was pleasantly suprised to see that the lady who turned up at my hotel room was the same lady on the web site as this is not always the case. She is a large lady with huge breasts (44HH) and has amazingly long brown hair and a very attractive face.

### The Story:

We had great sex and she had no hang ups on how many times i could cum. It also showed that she enjoys her work very much.

Will definately see her again.

Would recommend to BBW admirers. [www.bignbusty.co.uk](http://www.bignbusty.co.uk)
