The Story:

Wow is all I can say, her web site photos do her no justice. She is a very friendly girl and I felt completely relaxed. We started with some kissing and mutual massage, her smooth soft skin was a pleasure to touch. I enjoyed sucking on her breasts and she loved having her pussy eaten, she tasted fantastic.

We enjoyed each other for a while and then had protected sex in her nice tight pussy followed by anal. She has an arse to die for. She really knows how to tease and please as we finished with owo to completion. Mindblowing, I'll be back.
