The Lady:

Susie is approx.5ft 6ins,has short brunette hair,has a super figure of 32A-22-34 with nice perky nipples.She looks almost underage but is in her very early twenties.She has a lovely face and a cheeky smile.

The Story:

I went for the full personal with 69.Susie, who is Hungarian, started with a reasonable massage which got better when she started on the sensitive areas and finished up with a body to body which was very nice. She then gave me covered oral which she was very vigorous about and really got into the sucking working on the head of my cock very well.We then moved to 69 which was very nice.Susie scores 12 out of 10 in the hygiene stakes she was very clean and tasted beautiful.All of the time I had access to her lovely pussy although she wouldn't let me finger her arse hole too much. We finished off in my favorite position doggie which she seemed to enjoy since she was playing with her clit for at least 10 minutes.Anyway I don't know whether she had an orgasm but as soon as I took over playing with her very wet clit I could hold it no further and shot my load.Overall a very nice experience.
