The Story:

This is the first time I have met the legendary Debbie. I have to admit she was quite different to how I had imagined her. She entered the room in a 2 piece black suit looking like an executive on the way to a board meeting. After exchanging money she returned and started a highly erotic seduction routine, mutual stripping and groping, which went on for about 10 minutes.

Then we moved to the shower where we had 10 minutes of deeply erotic mutual soaping.

We then moved back to the room and Debbie gave me a massage. After a while she asked me to put a dildo into her - she really does have a voracious vagina! She then set about licking my balls and gave me a covered deep-throat BJ.

This was a genuine GFE event and she was both caring and very eager to please. Debbie is someone you can talk to and have a great sexual experience with. A rare event in my experience.
