### The Premises:

I have been on several occasions it is a nice discret and clean place in the centre of town.

### The Lady:

she is in her early 40's and a Buxom natural breast lady from scotland

### The Story:

I have been on several occasions and nothing is no trouble for her, she will do anything you desire to make your time enjoyable. She dose not rush you and there are shower facillites available if you need to cool down, she also has all the outfits and wips etc for those who are interested but personally I just go and get laid.
