The Premises:

The flat was small but clean and the area is quite safe (very near Pimlico station). Bedroom was small but adequate.

The Lady:

Pamela is a petite (ca. 5'4") well-proportioned blonde from the Ukraine with quite a pretty face (nothing like her pictures on the web site though). Her breasts were large and although I think they may have been enhanced they did not feel it. Her bum is on the small (boyish) side but overall a very attractive woman.

The Story:

We had a chat on the sofa and then she invited me into the bedroom where she proceeded to take my clothes off. She was dressed only in a sheer negligee which fell open to reveal the most beautiful pair of tits. She didn't mess around with a half-hearted massage but went straight to it, with a little too much gusto for my liking - I kept asking her to slow down. She gives oral without but not deep (she covers the bottom end of the shaft with her hand) and her blow job is really a hand job. She did this for two minutes or so and then wanted to cover me for sex but I asked her to carry on with the bj. All the while she was trying to rush me to orgasm and when I eventually succumbed to this after only 30 minutes she said that that was that - "come once in one hour". I was horrified!! I had paid ?150 for a half-hearted rush job with no encore. She does have some nice touches though - she French kisses really well and for as long as you want, and she rubs your chest and kisses your shoulders now and again. She also does a nice line in not-over-the-top moaning. Overall though very disappointing - I should have known from the beginning though as when I handed her the envelope with the money she took it out and counted it, and brought her mobile into the bedroom. As soon as we were finished she was on the phone - wham bam thank you m'am! She kept saying it was agency policy not to let clients come more than once - this from the girl who said she would do anal but would charge an extra ?200 (!!!) for it. I felt well and truly ripped off. I will certainly be giving Confidentialgirls.com a WIDE berth in future.
