### The Premises:

Her place was perfectly adequate although she said she was using it temporarily. It was clean and tidy and I felt quite safe. The area is nice and genteel.

### The Lady:

Maya is an Icelandic girl and is quite different from her pictures on the website - she is larger and easily comes into the category 'BBW' as opposed to 'busty'. I quite like that though so I soon got over my disappointment. Maya is quite lively and the words 'hind leg' and 'donkey' spring to mind! (Referring to her that is!!). She is around 5' 6" or so with average-sized tits (i.e. not overly 'busty').

### The Story:

I handed her the envelope with the money and she took it out and counted it (I don't like that - whatever happened to trust?!). In the bedroom she undressed me (which I do like) and gave me a half-hearted massage. She then gave me oral without (but with her hand covering the base of the shaft so that it couldn't go deep). This was quite pleasant but we then moved to doggy for sex. The only things I didn't like about the experience was the ongoing commentary on the mechanical side of things (a bit like Blue Peter telling you what effect the lubricant has etc) and her overly sensitive tits which basically meant no kneading or sucking. But Maya is more than willing to please and takes it all the way for anal. She needed to lube herself up for both straight sex and anal - which took away from the straight sex a bit (it slides in and out too easily). She reminded me how much time I had left (10 minutes) and was I not going to come. So I obliged by coming in her mouth - which was a great feeling but marred slightly by her stopping sucking and going off to spit before the geyser had subsided. She left me to clean myself up. Maya is good for doing all the 'dirty' things but she doesn't act dirty or talk dirty and doesn't try to give the 'girlfriend experience' - I'm not sure that her heart is entirely in the job but I give her good marks for effort.
