The Premises:

Place easy to find on main road ,(has a big sign on shop front so hard to miss) discreet side entrance. Plenty of parking spaces - pub opposite and side streets .
You walk into an open doorway and buzz to be let into the reception area. Place a bit tatty but receptionist pleasant enough and they are moving to new digs soon.. Booked for an hour so had large room with jacuzzi .

The Lady:

Shoulder length brown hair quite tall in heels , had to stand on tiptoe to kiss her, large boobs , a well built girl all round, lovely almond eyes.
came into the room wearing a black dress black stockings.

The Story:

Slipped off her kit and joined me in the jacuzzi gave me a nice rub down and let me put my hands wherever i wanted to ,little willy woke up very quickly so we got out and onto the bed, very willing to do any positions i requested. extra tenner for a very good owo, totally unrushed and loads of eye contact, doesnt do french but gave nice little pecks with lips slightly parted. Came across as a really nice girl, quiet but with a friendly manner, all in all a good shag and a very relaxing way to spend an hour.
