The Lady:

Lara is an extremely beautiful, slender (8st 7lbs), 5ft 6" without heels, brunette with stunning blue eyes and measuring 35b-27-35. As other reviewers have commented, she is definitely more beautiful in person.

The Story:

This is the third time she has visited me in my hotel room and every occasion has been one to remember. I initially contacted her via e-mail before calling her to make final arrangements. She arrives in a very sexy black blouse, short black skirt, stockings and high heels which I look forward to every time she visits. She does take requests for attire and she is always interested in making sure you get what you desire.

Since this was her third visit, I can definitely say I have been a very satisfied client. Lara is very much a true GFE. During the three visits, conversation over the dinners, the drinks, and desserts have always been fascinating and our talks could continue for hours if we let them. She is very smart and great conversationalist that enjoys meeting people and enjoying their company.

When we head to the bedroom, she is definitely an experience to remember. I have always requested she wear garters and stockings during our bedroom activities and I do have to say she is something to behold (her sexy red bra and thong set were a pleasant and very sexy surprise on her 2nd visit). Lara loves sex and her nipples are so sensitive that sometimes I sense she climaxes before the additional activities begin. She is always willing to please both giving and receiving oral, unfortunately no CIM or anal, but the sex is outstanding. Lara is very much a lady who doesn't clock watch and is truly a GFE to be enjoyed.

She should be treated very well and you'll definitely enjoy your time with her. Lara is working on her own website for our enjoyment in the future. Its just too bad I don't live in Southampton, otherwise I would be seeing her more regularly.
