The Premises:

Smallish basement flat in West Kensington, near tube. Flat was quite messy and in need of a clean.

The Lady:

Sarah's photos are sadly not borne out in reality. I can see why she wears her bra in them, her tits are rather saggy and not attractive.

The Story:

Pretty poor session considering the money involved. All seemed rather a bother for her, even conversation was an effort. Oral without was passable, sex in a couple of positions was uninspiring on her part. After I came, she disappeared for about ten minutes, coming back in a large bathrobe clearly hinting that a second round was out of the question.

Don't confuse with Sarah of Old Street - chalk and cheese in my opinion.
