The Story:

Known Melony for a while now. This was my birthday treat to myself. Melony knew it was my birthday and on arrival gave me a lovely gift and card.

The more we meet the better Melony becomes - and she was good to start with!

Melony has the ability to sense what you want without asking and provides it in a warm friendly manner. Her collection of toys are enough to bring a smile to anyones face, including hers.

Only one complaint - two hours seemed like 10 minutes - how time flies when you are happy and relaxed!
