flat was very clean inside.

The Lady:

23 year old swedish latvian, 5'10, 34DD-23-24 (real hour glass figure), strawberry blond hair and green eyes... The pics on the site are her for real. English not perfect, but then whose is these days - very chatty and fun person.

The Story:

well I've been punting for a while, and never make reports, but i recentlt started feeling guilty about not sharing my good and bad experiances with you all.

I've been using Golden Apple for a while now, and was surprised noone had ever reported on them before so here goes. Jennifer who ansa's the phone is a delight.

anyway anya and i started out in the living room, and moved into the bed room after a while, she gives a very good personle service, which is well worth the extra stragglers. She's arite raver in the bedroom.
