The Premises:

No need to go into details here, except I used the new Mirror Room. Compact, but big enough. Merve did a great job to take the picture on the site. Shower just outside the room. Very nicely done.

The Lady:

Exactly as described on the web site. Very slim tall and fit - in all senses of the word!!
I am starting a campaign for her not to have a boob job - she's perfect as is!!

The Story:

Used the shower and she was up before I had a chance to dry. had a great massage - lots of B2B, with plenty of ways of watching in the mirror maze.

We chatted and she asked me if I was a writer as well as a reader of P'net, so we chatted about that for a bit. I turned over and she presented me with the most perfectly formed rear for me to do with as I wanted. Loads of reverse, dildo's and fun generally. No rush at all, then it was my turn. OWO for ages and then on with the raincoat and she got on top.

Finished with more OWO to a really satisfying conclusion.

This lady is excellent. She tells me that Sandy is deciding who she rates as a superstar. Sandy, you've missed one! this lady is well up there IMHO.

Thanks M for a great time
