A discrete flat on the outskirts of town. Good parking (free!) outside.
I felt very safe.

The Lady:

Tall slender brunette in her early 40's. See previous FR's for a good description.

The Story:

I have been a regular of Pearl's for some time and I always look forward to my next visit. Smalltalk over a cup of coffee is soon followed by the main course which she sets about with great enthusiasm!

The lady has an easy, cheerful manner and obviously enjoys her work. Oral (with) is brilliant and if you return the compliment she clearly enjoys it immensely.

I understand that she does spanking (not my taste) but not anal (don't ask!)

If you are over 40 you will be welcome, particularly if you can tell a few jokes.

A truly exceptional lady.
