The Premises:

Very easy to find, in a pleasant safe area.
Apartment was clean and tidy with a relaxing atmosphere immediately putting one at ease. Lights and music in the bedroom made conditions perfect for romance.

The Lady:

Jolanta is 20, fresh faced with a lovely smile and personality to match. She has a perfect combination of being a very naturally beautiful girl with a terrific figure to match. She is certainly a girl that if she was at a party full of beautiful women would stand out from the crowd.

The Story:

I had arranged a meeting with Jolanta over a month in advance on the strength of a previous FR and was not disappointed. Jolanta on greeting me gave me a kiss (or two!) and sat down with a soft drink was immediately put at ease. Would happily have spent the evening just kissing those beautiful lips and chatting! Undressing each other we moved to the bedroom and engaged in OWO, sex, anal sex (which was a first time experience for me (thank you Jolanta for a wonderful experience) and finishing with OWO and CIM. Pillow talk afterwards just lying on the bed together drinking a soft drink was the perfect ending to a wonderful experience together.

As far as I am concerned I do not visit London very often, but from now on there will be no other date even considered as long as Jolanta is available. In love with the girl? -most definitely!
