She is beautiful. Sexy and intelligent. At first seems shy and nervous but warms and is a total pleasure to be with. The most erotic eyes and voice. Fantastic body - she looks after herself! Gorgeous smile. Shortish blonde hair, slim - great legs!

The Story:

Stuck in a boring hotel in London is no fun unless you have the company of a beautiful intelligent woman! Found details of Melisa on this site. It's all very easy. They say they accept credit cards but don't at the moment. Has to be cash. I wanted to meet a Russian girl and hit the jackpot here! I know it's pricey - but once you have made the booking they will call you back to check you are definitely in the hotel. I asked for Melisa to call me and she did. had a few questions to ask her. Booked for 9.30pm and she turned up 10 mins late.

We drank some chilled wine and bathed together. She is great to be with - sexy accent and speaks English very well. The most beautiful green eyes and lovely mouth. She will kiss if the mood/guy/feelings are right and will do OWO. She is very clean and enjoys sex.

I had a wonderful time with a superb woman and will definitely re-book her in a month. She appreciates good manners and is learning English - so whoever reads this - make sure you are kind to her and she will repay you with a wonderful time. Total VFM!!!
