### The Story:

Started with a drink whilst chatting to the lovely maid. When previous client left moved to bedroom, Lola came in and immediately started rubbing herself against me, absolutely great. Money changed hand, Lola left, came back with towels for shower and insisted on me undressing her, how could I refuse. In the shower, Lola paid a lot of attention to my important bit below the waist, thought I was going to cum there and then. Back to the bedroom, Lola gave a very sensual massage, mainly by kissing virtually every part of my body, she soon realised my sensitive areas and concentrated on these. Oral with was the best I have had in ages, had to tell her to slow down at one stage. Sex in 3 position, finishing off in doggy.
