The Premises:

A pleasant, tidy flat in a small recently built block near Cemetary Junction. Entrance is quite discrete and area is pleasant enough.

The Lady:

Suzanne is a mature lady of around 50, 5' 3" medium length brunette hair with just a few grey flecks, nice 'come play with me' 36D breasts, lovely legs, a little bit of a tum but nothing off-putting. A really very pleasant looking lady!

The Story:

Suzanne is possibly slightly better known as Suzanne of Dunstable where she works 4 days a week. She works Mondays, Wednesdays and Fridays in Reading with the Judys' appointments taking preference over private clients(she advertises in Ad Trader).

I was paying a little more than I normally would, it was the first time I had used an agency. However the arrangements were made easily and Suzanne called my mobile 30 minutes before the appointment to confirm the directions.

For those who like mature ladies, Suzanne really is absolutely delightful, worth every penny paid and more. She really shows an interest in her client and says that she enjoys her work, and she does nothing to disprove that!

We started off with a chat, Suzanne brought me a drink. As I was drinking Suzanne began to take off her clothes, and I then followed suit.

Suzanne began with a gentle massage, running her hands over my back, legs and bum, then using her gorgeous breasts and body to continue the treat. I then turned over and she then began to work on my cock with her body and breasts. She offers OWO, but I prefer to be safe, so on went the cover! Suzanne then displayed a fine oral technique, working alternately fast and slowly to stimulate my member. Sadly I wasn't performing as well as I might(!). I then asked if she could bring me off with her breasts, something that works if others means fail. I began to fuck Suzanne's tits and she worked hard to make sure I got the maximum effect. After a couple of minutes frantic titty fucking I shot my load.

It wasn't over then. Suzanne cleaned me up and then lay beside me on the bed. We kissed, cuddled and carressed and really felt each others bodies, I rubbed my thigh between her legs and

she really enjoyed the feeling, I'm not sure whether she came but she certainly gave that impression. More titty fondling and sucking followed, some breast rubbing followed then another session of oral, eventually Suzanne finished me off with her hand.

I hadn't had penetrative sex, but in the end that didn't matter a jot, I had had a lovely time and sensed that Suzanne enjoyed it.

Once we had finished we chatted for quite a time, probably about 15 minutes, before I went for a shower.

There was never any sense of a hurry, Suzanne is intelligent and easy to get on with and willing to chat and really worth a visit.

It's not a question of if, but when I will return.
