The Lady:

Alot better looking than the photos on the web-site, they don't do her justice.

The Story:

It was my birthday so decided to treat myself. I won't forget this birthday in a hurry! ;-)
She is lovely, beautiful breasts and very suckable nipples, and I'm more of a leg man myself ;-)
Excellent OWO, encourages reverse oral and 69, tried a few positions. Nice snog during the intermission then on to round two. She even managed to get me off a second time, which is unusual for me. Had a great time with a lovely, horny woman.

Saving up already, I won't be waiting until my next birthday to see her again. A real GFE.
