The Story:

This was my first meeting with Shelly. She greeted me wearing her school uniform, and looked stunning. After a welcome kiss and a short chat, sat together on the bed and had a gentle snog. Shelly undressed down to her lacy underwear; off with the bra to reveal her gorgeous breasts. The sex began with the lightest of hand jobs with lots of oil; she asked if I wanted it firmer, but what she was doing was mind-blowing, alternating this with oral and prolonging my orgasm until it was almost unbearable.

This was followed by a welcome cup of tea and a chat. Shelly went to the bathroom to change into her nurses uniform. I removed her pants and gave her oral, which she seemed to really enjoy - I certainly did. After a brief snog, on went the condom and Shelly climbed on top; this was followed by a variety of positions. The most memorable was with her legs over my shoulder and pushing me into her as deep as possible.

Another rest with interesting conversation; Shelly has a great sense of humour, but is also keen to discuss serious matters. She asked if there was anything else that I wanted to try. I suggested a 69, which was great, and then she offered some anal stimulation. Who was I to refuse. I asked her to speak dirty, which she did and from that moment the sex, including the kissing, became more raunchy. Shelly got on top again and we had some pretty energetic sex. Eventually I started to lose my erection. Shelly suggested finishing me by hand, which she did expertly.

All in all a fantastic experience. Shelly is a lovely lady who tailors her service to what you desire. She will be as sensual or as raunchy as you want, within the parameters that she makes clear on her website.

She mentioned that she plans to have a tour to Edinburgh in the summer. I can?t wait.
