The Story:

I'm a fairly new punter, and have gained from the various FR's on what's recommended and what should be avoided.

I wished I searched for some FR's on Selina's Escorts !

Like Bran's recently FR on Morgan, I too had a similar treatment. I had excuses from the lady about lack of condom's, then about time, ie. up to the hour, no guarantee its an hour etc!

I found this off putting and needless to say enjoyment was out of the window. I thought if I gave Selina some feedback for improvement, this would be helpful for other punters. But no way ! She storm in, said you haev 8minutes left, pointing to the clock and was really aggressive !

I spoke to her in a polite way, but she was haven't no of it! She even dared to say I was a cheapstake !! What after spending ?150, for up to an hour, with lack of condoms and performance ??

I am sure I can get better, high quality escorts for that price ! And I would mind paying more, assuming the service was great !

She then stormed to the door, and told me to get out ! shouting abuse and saying not to come back !!

As you can gather I was rather shocked and felt ripped off! There was no professionalism at all !

In summary, be warned of this place and Selina and her girls does not meet the standards of us fellow punters.

Service Provider's Rebuttal

The establishment writes, "This report is totally fictitious as we were closed on Mon 18th, we have proof of this! This is another agency putting these bad reports up, and whoever you are its not working as all our regular clients are very regular!!! Myself and my friends at Selinas Escorts have class!! Selina"
