Danielle is about 25, 5'8" with a lovely rounded figure, firm boobs and lovely neatly trimmed pussy. A lovely personality who makes you feel at ease

The Story:

I had met Danielle once before when I had visited Fantasia for the first time to investigate the lovely Joanne who has ben the subject of many FR's. On that occasion I had to wait for Joanne and although I prefer more mature women I thought Danielle had a very nice personality and I was very tempted. So as I was passing Sheffield to-day I rang and when I was told that Danielle was on, a visit was a must. As I arrived Danielle was about to go to another client. I had the offer of the other, very nice blond girl but decided to wait for Danielle as she looked so sexy in her short skirt and lace top stockings. The whole place has a very friendly, no rush atmosphere and I felt quite comfortable waiting.

When my turn arrived I had a quick shower and waited expectantly. Danielle arrived and I opted for the full personal. Danielle stripped down to her stockings and knickers and began to massage my back. Then it was turn over and her hands got to work on Percy who seemed a bit sleepy at this point. Not for long though and then it was on with the johnny and time for some lovely slow oral. By now Percy was ready and willing for the main event. Danielle removed her panties and lie on her back to reveal a lovely soft, juicy, well trimmed pussy. I slid all the way in with ease and was so turned on that I hardly dare to move. Those lovely legs pulled me in deeper and even though I tried not to I was soon shooting away. Danielle was wonderfully patient and I enjoyed delivering every last drop into her lovely warm, wet pussy. Wow!

The whole experience has left me on a high and changed my mind about sex with younger women. It's my birthday in July and I've just thought of the ideal treat - a two girl with Danielle AND Joanne. Can't wait.
