The Lady:

Tall, green eyes, brunette hair, a nice, firm ass - but not tits (This became apparent only when the bra came off)

The Story:

She was totally money minded - I paid 50 for sex, 10 for kissing, 10 for 69, 4 for CC charge. I spend ten minutes waiting, as she was talking to the maid and another lady. We talked for a bit, and this was her strongest asset... except that she talked about her boyfriend. Advertises herself as 19, but told me she's really 20, which I believed. Anyway, the massage was crap, and she turned me over and tried to give me hand relief... I had to ask her to kis me, and while she was, I asked if I could touch her "down there". She said "OK", but don't stick your fingers in - I brushed and stroke it, then went down on her - she didn't even make an effort to fake that she was enjoying it - laid there like a corpse the whole time. Sex was shit, 69 was shit, kissing was okay, to be fair... she may be a stunner, but don't be fooled!!!
