The Premises:

First time I'd been there. Seemed clean and safe, a basement to a shop. Very warm.

The Lady:

Julianna is a latin lady with long curly black hair, a beautiful pear shaped body with exquisite breasts, and a beguiling smile. When I first phoned the maid said she was Portugese. When I phoned to check she was working the maid said she was Spanish. I talked to her and she said she was from Brasil. Why is nationality such a big deal. Like we care?

The Story:

Ah she was gorgeous. She started by undressing me (always good fun - why don't more girls do it? -) followed by sensual oral. Then I went down on her, which she seemed to enjoy, then sex in a variety of positions. This was pretty much GFE, and she made all the right noises. We did mish, doggy then cowgirl, where I came explosively.

She certainly likes her tits sucked hard, and her pussy was a delight. Great sex, good fun and a nice person. I will be back.
