The Premises:

Decent place considering the price. Room warm and clean with mirrors on two walls. Glass sided shower on the landing.....not for the shy.....but plenty of clean towels

The Lady:

Pretty with long curly brown hair, almost to he waist. Average boobs with a curvy figure (just enough belly and bum without being slim). Dressed in a clinging red mini dress, black stockings, black panties, no bra. Very warm personality. Aged 26....just as it was her Birthday that week. Joanne was also there who is a very pretty larger woman in her thirties.

The Story:

What a fantastic experience and all for 20 quid! Had shower first then waited in room. Danielle came to the room and removed her dress and asked me to lie on my front. Asked if i wanted lotion or talk. Had a lovely massage while she told me all about her life and how busy she had been. Knew all about punternet and was dissapointed that the last report described her as having a "rounded figure". She aint a stick insect but she aint fat either. Beautiful soft skin. She asked me to turn over and started to play with my cock. She asked whether I liked it tickling or played with hard. Never has anyone played with it in such an erotic way! On with the condom before some fantastic oral which lasted as long as i wanted it to. She then removed her panties and lay alongside me and invited me to play around.....which i did! Then she invited me to get on top. What a site from the mirrors along the side of the bed. I went at my own pace and was never rushed. She then suggested doggy but i asked for her on top. She went at this with some vigour and i was finally brought over the edge. She slowly got dressed and left me to shower.

Sadly she doesnt kiss, do O without, allow reverse oral or do A. She doers however do watersports and domination, and takes a spanking for an extra tenner each.
