The Premises:

Debbies is fine...bit of a way out of London for me, but worth the trip.

The Lady:

I had seen Lee when she was "maiding" and wanted that flirty face - dressed for work she is lovely, great tits, cheeky smile and a very dirty laugh. She got her lipstick all over me...and I loved that, it was all over those ample tits too...magic

The Story:

I had been trying to see Lee for a while and was delighted to finally get my hands on her - she had been busy that morning but was sexy and up for it. A great pair of tits and lovely body, and she knows how to use it. Wiggling and dancing in front of me, then insisiting I fucked her in front of the mirror...wow. We tried loads of positions and I wanted to carry on but time was against us - I have already tried to see Lee again (whose phone manner turns me on) but she is having none of it and I will have to get down to Anerley on a Sunday - pity.
