The Premises:

Karen's 2. Easy to find well marked. Car park and entrance at rear. Pub across the road with large car park. Good area, Safe. Well used but clean and friendly. Lovely pleasant Bermudan receptionist. Karens receptionists are frequently brusque on the phone. Very off putting, and gives wrong impression. For contrast call Cherries.

The Lady:

Tall attractive brunette. Lovely figure, Organic 36 24 36 ish. Early 30's. Did not listen to descriptions on phone. This is a lady I could get to like.

The Story:

Superb massage. Try it! Owo as it should be. (Almost as good as my yard stick Bernie at Clairs.) Maxine knows what she is doing. This is the real McCoy.(oops). This is what I pay for. Even my hair stood up. Made up for a miserable week or two. When all else fails go to Karens. Thats where the Professionals are. No toy girls but real women. More power to the lot of you.
