### The Premises:

The second leg of my visit to Manchester. Thought I would try out Sandy's Superstars. Nice establishment with discreet entrance. Choice of 3 girls.

### The Lady:

Had read some of Morgans reports previously and thought it would be nice to meet her. When I arrived I was met by Shannon and was tempted to try her schoolgirl fantasy. However, when I saw Morgan I decided to stick with her. Mid twenties and a nicely tanned with a firm body.

### The Story:

Following a shower, Morgan gave me a nice massage. I was a bit disappointed that when she stripped off, her breasts were quite small. After the massage she started to play with my cock while enquiring if I wanted OWO (which was an extra ?10). What could I say, the girl had me at an obvious disadvantage.

Nice oral technique that included lots of licking of my balls and plenty of sucking (was offered CIM but declined as it was extra). After what appeared to be an eternity, Morgan got astride me and began to ride me. We continued to have sex in a variety of positions and we finished with some hand relief.

Overall a very enthusiastic girl but larger breasts would have been nice.
