### The Premises:

Basement flat on main road. Very easy to find, IF you listen to instructions. I managed to get lost, though, by getting off at the wrong station! There is a back exit for those of a nervous disposition,, but I was quite happy using the front door.

### The Lady:

Gorgeous. Looks considerably younger than her 34 years. Wicked sparkling eyes. Long brown hair. Body you could cuddle up to for ever. Lovely smile.

### The Story:

I had previously seen Debbie in a Birmingham hotel a few weeks earlier (see FR 17079), but this was my first ever visit to a parlour and if this is what they're like, I'm a convert!

I was welcomed by the attractive and friendly receptionist, who plied me with coffee and cakes while I waited. Beer and Orange Juice were also on offer.

Debbie and I started our session by slowly undressing each other and then explored every inch of each other's body for ten minutes or so in the shower.

About an hour later, I floated back into the real world on cloud nine. What happened in between, I will leave largely to your imagination, except to say that, at one point, some more cake was involved.

I like being teased and I asked Debbie to take me to the edge a few times before the final climax, which she did to absolute perfection. The great thing about her is that not only does she know how to give a guy a great time, but she makes it clear that she thoroughly enjoys herself while doing so.

Add to that a lively personality, a delicious sense of humour and a caring attitude and you have one very special lady.

Anybody reading Debbie's FRs would probably jump to the conclusion that they were exaggerated.

You couldn't be more wrong! Every complimentary word is true.

Debbie, you're a princess!
