The Story:

The end of another stressful week at work. I know just what I needed. A stressbusting session with the gorgeous Charlotte. She welcomed me at the door with a long lingering kiss. After disrobing we moved on to a relaxing massage session. Front and back with talc. We use this time for chatter. I moan about my week , she reassures me . With the preliminaries out of the way , its time to move on to the foreplay. I give Charlotte a clit rub and finger fuck , whilst she strokes my cock and balls ever so gently. This has the desired effect and "he" is rock hard and ready for a nice cock suck. Charlotte takes up the position in between my legs . She gives good deep head. She keeps good eye contact throughout. I can see that cheeky twinkle in her eye. I enjoy this so much , that I think that its only the gentlemanly thing to do to return the compliment. I go down to Charlottes lovely pussy and give it a good lick , suck and caress. Charlotte has two orgasms while i'm down there. Because of the distraction of my oral on Charlotte my cock has gone all floppy. But Charlotte saves it's life with some mouth to cock resuscitation. It does the trick and "he" is ready for his finale. I ask Charlotte to mount me for a nice cowgirl ride. I play with her hard stiff nipples , whilst she bounces up and down on my stiff cock. I shift round to a mish position , and pump hard and deep into her pussy for five minutes or so. I feel that my end is in sight , I decide to finish by fucking her pussy , doggy style deep from behind. This definitely does the trick and I come loudly and with great force into her , She has another orgasm too for good measure. Charlotte is an extremely popular girl , mostly because she gives a great service. But equally important , she is a pleasant , friendly and likeable person. That is the main reason why I return time after time.
