The Story:

Jolanta turned up about 15 minutes early. Just as I was getting out the shower. I opened the door wrapped only in a towel. I was gobsmacked at how pretty she was. She smiled at me and I felt her checking out my body...Nice!, I always heard of women giving you that "look" that gives you an instant hard on but this was the first time. As she looked at my chest she bit her bottom lip and looked coyly at me.....coooooor!!!!

I got her a drink and went and put my bathrobe on. I gave her the cash and I had requested that she should take control of the situation.

We started a small conversation about food. We talked about aphrodisiac foods and I was getting a raging hard on!! She noticed and asked if she could use the bathroom. When she came out she was wearing lacy bra and thongs and asked me if I liked her. Fuuucking hell yes!!!! She sat astride on my lap and started nibbling my ear, as I went to grab her arse she pinned my arms back and said wait. She took off her bra and what fantastic breasts, my mouth was like a running tap!!!!, She opened my robe and started rubbing her breasts against my chest. Her nipples were as hard as diamonds, ahhhh god that felt good. I couldn't take any more I surged forward and started kissing her with tongues like a fucking convict who's just served his time!!. With her legs still around my waist I picked her up and carried her to the bedroom, all the time her mouth was roaming my neck, face and my dick never felt so hard.

On the bed I sucked on her nipples and her body tasted fucking great, and she smelled nice! She responded like it was her first time she experienced this, moaning groaning and she pushed her breasts deeper into my mouth....by now I wanted to suck on her clit so I made my way south and again she said "Wait!". She made me get on my back and we 69'd.....she gave me a fantastic OWO she teased the head of my dick until I was about to cum, she pulled back just in time and started to lick the bottom of my shaft. Then she took the whole length in her mouth and sucked me like a Hoover!! What a blow job!

All the time I was tongue massaging her sweet clit and fingering her hole and she seemed to get wetter and wetter.... Then she said those magical words "I want you inside now!" ...whats a guy to do

but fulfil the request!! On with the rubber and she she got on top and lowered herself. It was so wet and even more amazing it was physically hot.....I thought I was going to cum and she sensed it and stopped moving....thank god, I started thinking about how much tax I am paying ! to stop myself from coming and I regained control and away we went, fuck me this was better than a gym work out we pumped away in so many different positions and it was one of the best cummings I've ever had!!!!!! She said she came twice and judging by the wetness she wsn't joking! Fuck me this was one of the best punts ever. I've already booked her for wednesday! My fantasy is to find her twin sister and make it a threesome!!!
