Felt horny on the way home, fancied someone with big juicy breasts.

Called fine date and mde an appt.

what a disaster, the lady was as wooden as you can get. Conversation was one sided I might as well have kept quite. I had a shower cause I wanted OWO, I find you always get a more enthusiastic OWO if the girl knows you are clean!

The sex was rather wooden and she just doesn't enjoy her job! Had to ask for OWO and It was crap. So I got on top and rode her I came quickly and decided to leave straight away , and I still had 1/2 hour left.

There are better out there even if they cost an extra ?50
