The Premises:

The Gallery corner building on main A57 Liverpool Road on corner with Green Lane, Cadishead. The entrance is at rear of building and is well screened. As you get buzzed in you first find yourself in the laundry room then through second door to reception. Inside it is clean and tidy.

The Lady:

Melanie is a tall striking blonde who looks young for her age which having talked to her I would put at early 30's.

The Story:

Having been to Karens in Whitefield early in the day I called in at the Gallery on the off chance and was immediately attracted to Melanie. But, had to find ATM to get some money first, Only later did I find out that they accept the good old flexible friend.

Having got the necessary I returned, handing over ?15 to the receptionist for the room, who then showed me upstairs, making sure that I did not bash my head on the rather low ceiling as we went up.

I undressed and amused myself watching the excellent porno that was on before Melanie arrived, and we got down to business. This was your typical parlour encounter, you know the drill back and front massage then on with condom for oral. Melanie then wants to get on top but I put her off offering to go down on her, gratefully accepted. Then once she is satisfied, it's on to the sex. Finishing with me wanking off over her tummy and tits.

Although this might appear to be a very plain vanilla type of punt the lady obviously enjoys her work and tries to make the session go with a bang(sic).
