### The Premises:

Vanessa's well established in Chorlton, just off main street, busy but I've never had any problems. Inside clean and tidy, nice room with jacuzzi, other rooms OK

### The Lady:

Andrea is mid twenties dark hair (wears a long wig), says it helps to separate the role she plays in her work from what she is like outside. Tanned firm figure, nice breasts about 36C, has a pierced clit!.

### The Story:

This is my first field report, but have been punting for about 2.5 years, and using Pnet for 1.5 years. Andrea is probably the best that I have seen in this time.

I've seen better looking girls, but let's just say she really and I mean really enjoys her work. She admits to being a nympho. Basically in the room she offers the full GFE. Loads of affectionate kissing, licking, OWO and passionate sex. She does A I think but I have not done this with Andrea. Each time I've seen her she has cum buckets.

She has worked at a number of parlours in Manchester, Chelsea's and Chloe's two being that I know about, and also as a lap dancer. I am not sure if she is working at the moment, because she comes and goes from Vanessa's, where I have seen her about four times in as many months. If any of you guys know where she is working, let me know?.
