The Story:

I tried to book Jolanta again but she was booked for the rest of the day, (and I had called them at 1pm!!) . The agency suggested Annabella and said she would give me a time to remember.

Normally I wouldn't trust agencies but I was so horny I chanced it.

Annabella turned up in very sexy jeans and white blouse. We moved to the living room and after paying her the money we settled for a quick chat over some wine. We talked about fantasy's and she asked me what I liked, I told her I loved nymphomaniacs, and before I knew it she sat astride my lap and start French kissing me frantically?...nice start.

We moved to the bedroom and she gave me a fantastic OWO that was strong deep and slow. I stopped her before I came and I lay her flat on her back and went down on her. As I licked the love bud, slowly spelling my name with my tongue I inserted my finger in her and I heard her gasp and she thrust her pelvis into my face nearly breaking my nose??.so I applied more pressure on her clit and next thing I felt her pushing my head into her fanny and she climaxed. So not wanting to lose the momentum I put on the rubber turned her over doggy style and rode her. What a sight, that beautiful ass and feeling those breasts as I rode her sent me over the edge. I collapsed on the bed and she just turned over and lay'd ontop of me purring!! Cooor

We still had half an hour left so she offered me a special massage. I turned over and she started rubbing her breasts on my back, Fantastic. I felt her hand go between my legs on balls and she started massaging them quite firmly and suddenly I had another raging hard on and I turned over. On with the rubber and then she rode me and I buried my head in that ample cleavage and climaxed for England and Punternet !!!!!!! What a night ?.. I still remember it now!!! If only she did a duo with Jolanta I could book an hour and die a happy man!!!
