The Premises:

Place was clean and easy to find. Good description on how to find it was given over the phone. Felt safe even though on a main road black door next to shop. Looks like you are visiting shop flat.

The Lady:

Debbie is excellent , very bubbly dresses to give instant hardon great tits.

The Story:

Debbie put me at ease and run through her services. As the room was covered in uniforms I went for the schoolgirl full personal. Debbie left the room to dress , when she returned it was in full uniform and into role play. She loves Fantasy and is brilliant at it.

We kissed french , she rubbed my cock teasing all the time. She licked my balls and let me 69 with her. I was ready to fuck her but came to soon. I will be back for more soon. Debbie you are great Remember Im going to cum twice next time. Sorry for the delay in posting
