Sandys Superstars has been much reported on. Clean, discreet, safe with plenty of nearby parking. Receptionists make you feel welcome and offer refreshments. Reception area can get crowded! Pictures of all ladies on walls as you go in. Regulars can get membership and then book Ladies in advance.

The Lady:

Morgans pictures do not do justice to her body. Slim, well toned, all over tan. Her bum has been commented on by many, magnificent. See web site, not into "A" but if she changes her mind, there would be a queue.

The Story:

Greeted enthusiastically, pleasant and chatty. lingering massage progressed onto oral without (extra ?10). She is justifiably becoming famous for her blow jobs, superb technique, with a little speciality all of her own. I could have closed my eyes and let her continue forever. However her neatly trimmed pussy beckoned. she received this attention with equal enthusiasm. Having warmed up with a little dildo action we moved on to penetration in several positions, including the use of the "swing", which is as much fun as your imagination will allow. When she gets going its a joy to behold and difficult to control.

We moved back to the bed for the finale, when her use of internal muscles came into their own. Thoroughly enjoyable experience to be recommended
