The flat is in a very safe area and was clean and fresh just as in my previous visits, however, the slightly drab bedroom has been redecorated to a very high standard (not that I am there to admire the decoration)

The Lady:

As previously described

The Story:

Debby is friendly and intelligent, with a liking for good healthy raunchy down to earth sex that is only exceeded by my own.

If, like me, your worst nightmare is to find yourself being processed by a mechanical sex automaton then you need have no worries about Debs.

definitely NOT a case of V.A.M
