The Premises:

Lovely old cottage in the middle of nowhere! Easy to find as it is opposite a pub which is signposted from everywhere! However, good directions from Tricia on the phone.

The Lady:

Described as early 50's - I'd say that was correct. Very nice lady, very well educated and polite. Shortish with blonde hair, slim with smallish breasts which she kept covered throughout.

The Story:

Went in the back door - as it were - and was immediately offered coffee with a smile. Fifteen minutes of chit-chat about various things, then Tricia asked if I wanted to 'go through'. Onto the bed for a lovely back massage, with Tricia astride me - must have been a good 20 minutes, with more conversation. As her legs got tired, she seemed to 'ride' my back, and I felt the warmth of her pussy! I turned over and her fantastic fingertips teased my inner thighs for a while, before she asked if I wanted (covered) oral. Obviously yes, so she faced away from me and gave a good BJ - shame as I like to see what a girl is doing to me! 5 mins later I asked her to stop as I was close to coming, and she asked if I wanted to 'go the whole way'. I replied yes and she offered to go on top - my favourite. VERY slow movements, with Tricia leaning back - after about 10 beautiful minutes, I took the lead and sped up, with her now leaning forward and breathing heavily into my ear - I came violently, and I think she was enjoying herself more than she wanted to let on. Fairly embarrassing afterwards - on my part - as I was keen to get out quick! All in all a good time - as Judy's ladies always are - but I won't be back as she was slightly too old for me, although that is no reflection on Tricia herself. I would recommend though, as a good time was genuinely had.
