### The Story:

yes gentlemen the famous Adelle is back in Kellys. I was upset when she left as I felt that Swindon had lost one of it's brightest and biggest stars but now she is back.

Adelle for those of you who have not met her is a vivacious older lady. She has the biggest boobs in wiltshire and her tit wanks are legendary. Adele is not for the novice as she has a huge sexual appetite and will eat you alive given half the chance. A must for all punting adventurers. Pure magic
