The Premises:

Said it all before new dressing gowns great they fit.

Have never been anything but delighted with this place. I think the more often you come the more relaxed you become when you start to recognise some of the customers you yourself must be becoming a bit of a regular. Makes for a better experience some good crack in the lounge. It could be worse there is no alcohol on the premises so it must be better than the pub & the cardial vascular exercise is much better for you pity you can't get this on the NHS stress relief.

The Lady:

There were 7 lovelies to choose from. I will try not mix them up with the next shift I stayed a while about 5 hours[greedy beggar double helpings today]

1/Trish magnificent mature lady gigantic bust fantastic in the room.

2/Alex very tall my eye level was in line with her ample bosom scared of ladies that tall I don't know why I am sure she does not bite unless you want her to.

3/Blonde slim 35leather mini&halter top very attractive face.

4/Young skinny not my type.

5/As above with faecal piercing.

6/Can't recall not young a bit rounder friendly sole.

7/Clare not young good-looking big boobs.

Picked Clare the boobs did it good choice she only does 1 shift a week new here but not to the game ex Blair St. I had a good massage then had a go at doing her the back is easy when they turn over I get a bit lost. Boobs real bj followed by tit wank I like that bit. Then on to sex every position I could think of very nice.

The Story:

There was a lad from Australia only been in the country 3 days [bloody good map he must have had]from the grin on his face on departure I think he will be back.

Some poor chap from Newcastle had come with his mate who told him watch & learn but his mate went of with a lass that quick he had not got a clue what the score was. Nothing like this in

Newcastle apparently did try & tell him but a bit shy [Make note put FR in pocket next time help lost

boys]
