The Story:

After reading other reviews on Tara I decided to book her to see if they were all true, and yes they were. Tara is far, far prettier than her photo's and she does have a wonderful smile and wicked sense of humour. She made me feel very relaxed and I just could not wait to get my hands on her. She performed owo which was mind blowing, she loves doggy style and being on top which was fine with me and has amazing nipples. Thanks Tara you were wonderful!
